# PG RACING

PG Racing was born to go full throttle!

Founded in 2022, our team is led by Ricardo Martin and Ricardo “Pocinha” — two seasoned drivers with extensive experience in circuit racing, drag racing, and time attack.

Backed by a professional structure and full technical support, we compete in Brazil's top racing championships, always chasing victory.

- ✓ Specialized vehicle transport
- ✓ Full mechanical crew and on-site support
- ✓ Mechanical supplies and logistics
- ✓ In-house audiovisual production

# THE TEAM

The PG Racing team is made up of two drivers: Ricardo Martin and Ricardo “Pocinha”. Both are deeply involved in motorsports, with experience in circuit racing, drag racing, and time attack.

They are also officially licensed by the Brazilian Automobile Confederation (CBA) with a PGC-B competition driver's license.
